Take me out to the ball game.
Take me out to the crowd.
Buy me some peanuts and
Cracker Jack, and one of those
cool jackets, and a program, and
a foam finger (I love those things),
and some nachos and
a hot dog, no—two hot dogs, and
a large soda to wash it down.
At the old ball game.

EXECUTIVE BIOGRAPHIES

BOB NUTTING

Chairman of the Board

Robert (Bob) Nutting serves as Chairman of the Board of the Pittsburgh Pirates. Bob assumed control of the club in January of 2007, thus becoming the sixth principal owner in the history of the Pittsburgh Pirates. He has served as Chairman of the Board and represented his family's interest in the club since 2003.

In his two years as principal owner, Nutting has continued to make progress toward the goal of systematically building a championship organization. In September of 2007, he appointed Frank Connelly as the team's new president and, in-turn, Neal Huntington as the team's new general manager. In the short time since, the new leadership drastically improved the core fundamentals of the club by implementing new systems and philosophies on how the Pirates scout, teach and develop talent.

The club has also been more effective in maximizing every opportunity to acquire talent, whether in the draft, international scouting, development or free agency. With the commitment to utilize every round of the draft to add premiere talent, the Pirates first amateur draft under the new leadership was ranked as one of the best in baseball by industry publications. The infusion of talent is demonstrated by Baseball America's ranking of Pirates prospects, where five of the top 10, and 16 out of the top 30, were not in the organization a year prior.

Nutting's long-term commitment to building a championship caliber organization is further demonstrated by the construction of the Pirates new training academy in the Dominican Republic. The new campus style training complex, which will open this spring as one of the very best in Major League Baseball, will help the Pirates attract, retain and teach the best players, coaches and scouts in the Latin America region.

Nutting's family roots in the greater Pittsburgh region date back as long as the Pirates 122-year history. Under his leadership, the Pirates have made a commitment to making an even deeper positive impact in the community. In 2008, the Pirates and its philanthropic arm, Pirates Charities, assisted more than 2,200 community organizations. Pirates Charities also launched three major initiatives, including the renovation of the little league complex in Pittsburgh's Hill District, the launch of the new Fields for Kids matching grant program, as well as the building of the Pirates Charities Miracle League Field, which will bring a completely new dynamic to the Pittsburgh community by creating a space dedicated to the needs of children with disabilities.

Nutting brings a long history of building successful organizations and a multi-generational commitment to the economic growth of the Pittsburgh region. His primary position is as President and CEO of Ogden Newspapers, Inc. Bob also currently serves as Chairman of Seven Springs Mountain Resort; a four-season resort located 60 miles East of Pittsburgh.

Pride. Passion. Pittsburgh Pirates.

PIRATES IN THE COMMUNITY

Throughout its 122-year history, the Pittsburgh Pirates have developed deep-rooted relationships throughout the Pittsburgh region. The Pirates have supported many non-profit and civic organizations through its considerable charitable and community efforts, specifically its charitable giving, memorabilia, merchandise and ticket donations, and volunteer efforts.

Under the direction of Chairman of the Board Bob Nutting, the Pittsburgh Pirates organization's mission is to strive for excellence in every aspect of the organization, including the way the organization interacts with the community, its business partners and its fans.

Although the organization does a lot of great things in the community, the management team decided it could be more effective in its philanthropic efforts and make an even greater impact in meeting the needs of the region. As a result, the Pirates formed a newly defined philanthropic arm, Pirates Charities, prior to the 2007 baseball season.

Pirates Charities was established as a 501(c) 3 organization and focuses on three core areas of youth health, fitness and education. Based on these core areas, the objective of Pirates Charities is outlined in the charitable foundation's mission statement:

Pirates Charities is committed to strengthening the community by supporting organizations and programs aimed at improving the lives of children and adults in the greater Pittsburgh region. Pirates Charities places a special emphasis on supporting youth programs focused on health, fitness, and education by developing partnerships with those who share in our mission.

By focusing its charitable contributions of both time and funds in this manner, Pirates Charities will enable the Pirates to support programs that align with its mission and allow the organization to continue its already established community relations activities. As a result, Pirates Charities has increased the impact of the Pirates charitable support throughout the Pittsburgh region.

Pirates Charities Miracle League Field

Scheduled to open in May of 2009, Pirates Charities and Freddy and Alissa Sanchez donated \$200,000 towards the construction of Pirates Charities Miracle League Field. More than \$65,000 was raised during the inaugural Pirates Charities On-FSN Auction fundraiser, which was held live on-air during a Pirates home telecast.

When finished, the field will include a completely flat, rubberized surface, which is ideal for use by children with special needs. The field will be the first of its kind in Southwestern Pennsylvania.

Josh Gibson Field

Pirates Charities, along with the City of Pittsburgh, the Baseball Tomorrow Fund, Del Monte Foods, the Grable Foundation and Pirates starting pitcher Ian Snell, broke ground on Josh Gibson Field in the Hill District in May of 2008. The completely renovated double field will be ready for use by the Josh Gibson Little League in April of 2009.

Pirates Charities fundraisers were held throughout 2008. In a variety of ways, Pirates fans, employees and corporate partners contributed their dollars, time and energy to ensure the success of every event.

- Many Pirates players and coaches participate in several RBI (Reviving Baseball in Inner Cities) events every season, including baseball instruction clinics at the Pirates Community Baseball Center in Shadyside.
- During the program's second year in 2008, Education Days provided students from 19 area school districts from grades six to eight the opportunity to learn while attending a Pirates game at PNC Park.
- Pirates Charities held two fundraisers during the 2008 Spring Training season in Bradenton, Florida: the inaugural Pirates Charities Spring Training Golf Classic and the Pirates Charities Silent Auction at McKechnie Field. Together, the two events netted more than \$30,000 for the Boys & Girls Club.
- Jack and Julie Wilson hosted the Fourth Annual Bowling with the Bucs tournament on June 8, 2008. More than 90 bowlers - including many Pirates players, coaches, broadcasters and fans - made the pins dance in an effort to raise money for Pirates Charities.

Pirates Charities also made contributions to these other notable organizations throughout the season: Make-A-Wish Foundation of Western Pennsylvania & Southern West Virginia, West Penn Hospital Summer Camp for Burned Children, the Negro Leagues Baseball Museum and Christ First, Inc.

Throughout the year, Pirates players, coaches, broadcasters, alumni and front office staff members partner with countless non-profit and civic groups throughout the region to help make our community a better place to live. Here's a look at some of the community projects the Pirates were involved with during the 2008 season.

- Nate McLouth, who wears number 13, hosted 13 kids on 13 different occasions to a special day at PNC Park. During their visit, the kids got to meet Nate and other Pirates players and watch batting practice from the dugout. Each "Lucky 13" member received a game ticket to watch Nate and the Buccos on the eve of their visit. Many of the youth were from the Imani Christian Academy.

- Ian Snell continued his partnership with Big Brothers Big Sisters of Greater Pittsburgh by hosting several "littles" and "bigs" to pre-game activities and a Pirates game throughout the 2008 baseball season.

- For the second straight year, Freddy Sanchez hosted the Player 4 Kidz Gala to raise funds benefitting the Challenged Athletes Foundation. Many Pirates players, coaches and front office personnel attended and helped raise more than \$30,000 during the dinner and auction.

- Tom Gorzelanny co-chaired the 2008 Epilepsy Fun Run/Walk, which raised \$151,000 for the Epilepsy Foundation of Western & Central Pennsylvania.

Pirates Community Commitment Program

For this new initiative that began in 2008, over 160 players across all six Pirates' minor league affiliates committed to at least 10 hours of community service with the goal of helping them grow as individuals both on and off the field.

- The six most outstanding contributors from each affiliate were recognized for their work, along with Pirates Clemente Award nominee Jack Wilson, during a pregame ceremony at PNC Park in September.

YOUTH EDUCATION PROGRAMS

Pirates Tales

This reading program, chaired by pitcher Matt Capps, included 45 Carnegie and Allegheny County libraries to encourage youth to embark on summer reading programs. Kids who participated in the program were chosen in a raffle, came to PNC Park for a pregame story hour with Capps, a Pirates' goody bag and a chance to meet Pirates great Kent Tekulve.

City of Pittsburgh Programs

The Pirates have partnered with the City of Pittsburgh to help sustain these comprehensive recreational programs to increase education and athletic opportunities:

BIG League Sports

Junior Pirates

Mayor's Cup

Just for Fun Programs

The Pirates have set up the following programs to help promote youth interest in the game of baseball and the Pirates in particular. Each program gives kids the chance to take part in different hands-on activities at PNC Park.

Giant Eagle Fun Zone on Federal Street

Bucaroos' Kids Club

Run the Bases at PNC Park

Buses for Baseball

Thanks to the Players Trust and local transit authorities, the Buses for Baseball program gives underprivileged kids a chance to attend a Major League Baseball game and meet their favorite players. Fifty youth were welcomed to PNC Park in July of last season as part of this annual program.

Taking It To The Fields

This program is a youth baseball fundraising program that allows boys and girls, ages six to 18, from youth baseball and softball associations to raise money by selling Pirates tickets.

- As an added incentive for participating in Taking it to the Fields, children have the opportunity to learn baseball fundamentals from Pirates players and coaches during Youth Skills Workshops at PNC Park.

Our community's success is rooted in its economic, cultural and ethnic diversity. Through the Diversity Initiatives Department, the Pittsburgh Pirates seek to strengthen and expand relationships with members of the minority community, develop programs and opportunities that provide greater access, and continue to recognize the extraordinary achievements and contributions of minorities to our national pastime.

DIVERSITY INITIATIVES

Minority Business Advisory Board

The Pirates partnered with the Minority Business Advisory Board to award college scholarships to two students.

Jackie Robinson Day

The Pirates partnered with the Pittsburgh Public Schools on a new program called the "Jackie Robinson - Breaking Barriers" Essay and Poetry contest. Students from grades three through eight submitted original poetry and essays based on Robinson's nine values for success: courage, determination, teamwork, persistence, integrity, citizenship, justice, commitment and excellence. First through third place winners were chosen for each grade and were recognized on the field during a special pregame ceremony.

Heritage Weekend

Pirates great Al Oliver was the keynote speaker at the Pirates annual Heritage Day Luncheon (right). Proceeds from the luncheon benefitted the Pirates Charities Gibson Field project.

Gospelfest took place on Federal Street as one of the many festivities of Heritage Weekend. This event showcases performers from several local church choirs and gospel soloists.

Free Vision and Dental Screening

More than 150 other children, participated in a FREE vision and dental screening compliments of Davis Vision and United Concordia. This program was for youth who have minimal insurance coverage or no health insurance at all.

The Pirates Wives strive to be just as active in the community as their husbands. Throughout the season, they host fundraisers and volunteer their time and talents to several non-profit organizations in the Pittsburgh area.

Build-a-Bear for Homeless Children

Jessica Maholm and Jessica Wertz, Sean Burnett's fiancée, helped 20 youth from the Homeless Children's Initiative select, stuff, stitch and dress their very own teddy bears.

BBQ with the Bucs

Over 150 people joined the Pirates Wives for the third annual BBQ with the Bucs to raise money for the Gilda's Club of Western Pennsylvania. Gilda's Club mission is to help provide a social and emotional support network for people living with cancer.

Mystery Grab Bag Sale

For the second straight year, the Pirates Wives hosted a Mystery Grab Bag Sale to benefit the West Penn Hospital Summer Camp for Burned Children. Over \$10,000 was raised during the event.

Ronald McDonald House Spaghetti Dinner

In July, several Pirates Wives cooked a homemade spaghetti dinner for families staying at the local Ronald McDonald House. Each child at the home received a special gift as well.

The Ronald McDonald House provides a "home away from home" for the families of seriously ill children receiving medical treatment at area hospitals.

There really is no "off-season" in baseball – especially for community activities. Players and front office personnel are active throughout the year reaching out to loyal Pirates fans throughout the Pittsburgh and Bradenton regions. From Caravan stops to PirateFest to visits to schools and hospitals, the Pirates are active in the community on a year-round basis.

Pirates Caravan & PirateFest

For over 20 years, the Pirates have made a point of traveling to the outlying regions in the greater Pittsburgh area during the months of January and February during the club's annual caravan. This year, a total of 12 players, along with manager John Russell, coaches Joe Kerrigan, Tony Beasley, Don Long and the Pirates broadcasters, made a total of 30 stops in 12 days encompassing four states (Pennsylvania, Maryland, Ohio and West Virginia) and over 2,300 miles during the two-week event.

The unofficial start to baseball season in Pittsburgh begins with PirateFest, the club's winter carnival which takes place just a few weeks before the team heads to spring training. The three-day weekend event, in its 19th year, attracted over 15,000 fans to the David L. Lawrence Convention Center in 2009. Free player autographs, clinics, memorabilia, Q&A sessions with management and players, along with games and prizes make it a fun event for every baseball fan.

FIRST BASE COACH

AGE: 57

BORN: 3/19/1952 in Salina, KS

POSITION PLAYED: INF

APPOINTED: 11/7/2008

Perry Hill was named the Pirates First Base Coach on November 7, 2008. In addition to those duties, he will serve the club as its infield instructor.

The 2009 season marks Hill's 15th as a coach in the Major Leagues and his 25th season as a coach in professional ball. He most recently worked with the Florida Marlins as their First Base and Infield Coach from 2002-2006. A valued and well-respected infield instructor, Hill has coached Rawlings Gold Glove award winners at all four infield positions during his career: 1B Derrek Lee (2003), 2B Luis Castillo (2003-05), 3B Mike Lowell (2005) and SS Orlando Cabrera (2001).

In his five seasons with the Marlins, he instructed an infield that included All-Stars Miguel Cabrera and Dan Uggla, as well as 2006 N.L. Rookie-of-the-Year Hanley Ramirez. Also under his watch, Florida established a club record with a .987 fielding percentage in 2003 and third baseman Mike Lowell set a Major League record with just seven errors in 154 games in 2004.

Hill began his coaching career in the Texas Rangers organization with Class-A Tri Cities in 1984. He spent a total of 13 seasons with Texas (1984-1996), including four at the Major League level as the First Base Coach and Infield Instructor (1992-95). From 1987 to 1992, he worked as a roving infield instructor for the Rangers before joining manager Toby Harrah's staff at the big league level as a First Base Coach on July 16, 1992. Hill continued in his role as First Base Coach and Infield Instructor for two full seasons and half of the '95 campaign. His final season in the Texas organization was spent as the roving infield instructor in 1996.

From 1997-99, Hill served the Detroit Tigers as their Third Base and Infield Coach. Under his guidance, he led the 1997 squad to the American League's top fielding mark as the Tigers became the first team ever to go from worst to first in fielding percentage in consecutive seasons.

Prior to joining the Marlins in 2002, Hill spent the 2000 and 2001 campaigns as the First Base and Infield Coach for the Montreal Expos, where he guided the development of shortstop Orlando Cabrera, who collected his first Rawlings Gold Glove in 2001. He also helped to lower the Expos infield errors total in consecutive seasons as the infielders committed only 65 errors in 2001 after making 72 in 2000 and 88 in 1999.

Primarily a shortstop during his playing days, Hill played six professional seasons (1976-1981), including each of his final five years in the Mexican Sonora League. He began his career playing with Rio Grande in the Gulf States League, where he batted .194 in 53 games during the 1976 season. Hill played in a total of 622 games in Mexico and hit .257 with eight home runs and 228 RBI before retiring as a player after the 1981 season.

INSIDE-THE-PARK HOME RUNS

In the eight-year history of PNC Park, there has been just one inside-the-park home run - Jack Wilson on July 2, 2004 vs. Milwaukee (game one). Turner Ward's against the Braves on July 25, 1998 was just the fourth pinch-hit, inside-the-park-homer in franchise history and the first since Adam Comorosky did so against the Phillies on July 16, 1931. With his home run on July 1, 1916, Hanus Wagner remains the oldest player ever to hit an inside-the-park home run at the ripe old age of 42 years and four months.

HISTORY

PITTSBURGH PIRATES TEAM HISTORY

Now in their 123rd National League season, the Pittsburgh Pirates own a history filled with World Championships, legendary players and some of baseball's most dramatic games and moments.

The Pirates' roots in Pittsburgh actually date back to April 15, 1876, when the Pittsburgh Alleghenies brought professional baseball to the city by playing their first game at Union Park. In 1877, the Alleghenies were accepted into the minor-league International Association, but disbanded the following year.

Baseball returned to Pittsburgh for good in 1882 when the Alleghenies reformed and joined the American Association, a rival of the National League. After the 1886 season, the Kansas City franchise was expelled from the N.L. and Pittsburgh President William A. Nimnick's application for membership was accepted.

On April 30, 1887, the Alleghenies defeated the defending league-champion Chicago White Stockings, 6-2, before a crowd of nearly 10,000 at Recreation Park. The victorious beginning was not an indication of things to come, however, as the team managed to finish higher than fifth only once in the 13 remaining seasons of the century. In 1890, the Alleghenies' roster was demolished when key players jumped to a new rival to the National League – the Players League. They staggered to a club-record 113 losses as the two leagues engaged in a bitter battle over talent.

When the Players League folded after only one season, all players were expected to return to the clubs they played for in 1889. But in 1891 Pittsburgh signed Louis Bierbauer, a second baseman with Brooklyn of the Players League who had spent the previous four seasons with the Philadelphia Athletics. The A's and their American Association brethren immediately accused Pittsburgh of "pirating" Bierbauer away from them. Pittsburgh kept the player and the nickname and became known as the Pirates thereafter.

The fortunes of the Pirates turned in 1900 when the National League reduced its membership from 12 to eight teams. As part of the move, Barney Dreyfuss, owner of the defunct Louisville club, acquired controlling interest of the Pirates. In the largest player transaction in Pirate history, the Hall-of-Fame owner brought 14 players with him from the Louisville roster, including Hall of Famers Honus Wagner, Fred Clarke and Rube Waddell – plus standouts Deacon Phillippe, Chief Zimmer, Claude Ritchey and Tommy Leach. All would play significant roles as the Pirates became the league's dominant franchise, winning pennants in 1901, 1902 and 1903 and a World championship in 1909.

Wagner, dubbed "The Flying Dutchman," was the game's premier player during the decade, winning seven batting titles and leading the majors in hits (1,850) and RBI (956) from 1900-1909. One of the pioneers of the game, Dreyfuss is sometimes called "The Father of the World Series" because he challenged Henry Killilea, the owner of the American League champion Boston Pilgrims, to a post-season playoff in 1903 to determine who was baseball's best team. On October 1, 1903, Phillippe defeated the legendary Cy Young, 7-3, in the first World Series game ever played. Boston, however, later emerged as the Series winner, overcoming a three-games-to-one deficit to win the best-of-nine competition, five games to three.

The Pirates finished as runner-up three times in the next five years before getting another shot at a World Series title in 1909. The Bucs won a club-record 110 games that year with three pitchers – Howie Camnitz (25), Vic Willis (22) and Lefty Leifield (19) combining for 66 victories. The Series pitted the league's batting champions – Wagner and Detroit's Ty Cobb against each other, but rookie pitcher Babe Adams, who was 12-3 during the regular season, emerged as the Series hero for the Pirates.

While Camnitz, Willis and Leifield failed to win a game, Adams won three, including a six-hit shutout in the seventh and deciding game. It was the last of four titles the Pirates would win under Clarke, who managed the club until 1915.

The 1909 season also marked the beginning of a new era in ballparks as the Pirates christened Forbes Field on June 30th that year. Since 1891, the Pirates had called Exposition Park – which was located on virtually the same site as Three Rivers Stadium – their home. Described as the "Hialeah of Ballparks" when it opened, Forbes Field would remain the home of the Pirates for six decades and would host many great moments.

Pittsburgh sank to the league's second division for most of the next decade, but by the early 1920's — with an influx of outstanding talent which included future Hall of Famers Pie Traynor, Kiki Cuyler, Rabbit Maranville and Max Carey — Pittsburgh was again a contender. After three straight third-place finishes from 1922 to 1924, the Pirates won the N.L. title by eight and a half games over the second-place New York Giants in 1925.

The Series matched Pittsburgh against the Washington Senators, who jumped out to a three-games-to-one lead. The Pirates, however, bounced back to win the final three games and the Series. Their miraculous comeback included a 15-hit pounding of Hall of Famer Walter "Big Train" Johnson in Game Seven.

In 1926, a rookie named Paul Waner joined the Bucs and batted .336. A year later, his brother Lloyd joined him and belted out 223 hits for a club rookie record .355 average and the Pirates were again National League champions. Paul, who was nicknamed "Big Poison" — batted .300 or better 14 times, captured three batting titles and collected 200 or more hits in eight different seasons. He was named the league's Most Valuable Player in 1927 and went on to compile 3,152 hits and a .333 career batting average. Lloyd — who was tagged "Little Poison" — hit .300 or better in 10 of his first 12 seasons, compiled a career mark of .316 and accumulated 2,450 hits. Both were elected to the Hall of Fame.

The 1927 World Series featured the Pirates against New York's famed "Murderer's Row" with Babe Ruth and Lou Gehrig who swept Pittsburgh in four straight games. The next 33 years, Pirate fans went without a pennant winner, although they were not denied their share of great players and great moments.

The Waners were consistently among baseball's premier hitters during the 1930's with Paul amassing more hits (1,959) during the decade than any player in baseball. Traynor was one of the era's best all-around players and is generally regarded as one of the finest third basemen ever to play the game. Shortstop Arky Vaughan topped the .300-mark in each of his 10 seasons with the Pirates (1932-1941) and his .385 average in 1935 has gone unequalled by any National League performer. He, too, is enshrined at Cooperstown.

Hall of Famer Ralph Kiner won or shared the N.L. home run title in each of the seven seasons that he wore a Pirates uniform (1946-52) — which is a streak that has never been matched in either league. In 1956, Pirate first baseman Dale Long hit home runs in a record eight straight games between May 19th and May 28th (that mark was matched by Don Mattingly in 1987 and Ken Griffey Jr. in 1993). Three years later, Harvey Haddix hurled what many consider the greatest game ever pitched when he retired 36 straight Milwaukee Braves hitters over 12 innings on May 26, 1959. The same year, ElRoy Face won 17 straight games in relief.

Though the Pirates failed to finish higher than seventh from 1950 through 1957, the foundation for another championship was being put into place. Standout players were added throughout the decade, including 2001 Hall-of-Fame inductee Bill Mazeroski, Dick Groat, Vernon Law, Bob Friend, Bill Virdon, Face and Hall-of-Fame right fielder Roberto Clemente.

In 1956, Pirate owner John Galbreath hired Joe L. Brown as general manager. With the club languishing in last place at 36-67 midway through the 1957 campaign, Brown promoted coach Danny Murtaugh to field manager. Within three seasons, the Bucs were again champions of the National League and again matched against the powerful New York Yankees in the World Series. This time the Bronx Bombers featured Mickey Mantle and Roger Maris.

Danny Murtaugh

The 1960 World Series remains one of the most incredible post-season encounters ever on record. The Yankees won Game Two, Game Three and Game Six by a combined score of 38-3, but the Pirates used great pitching, defense and timely hitting to stretch the Series to a seventh game at Forbes Field. Pittsburgh took a 9-7 lead into the ninth — thanks to Hal Smith's three-run homer in the eighth — but the Yankees came up with two runs in the top of the ninth to tie the game. The game and the Series ended, however, in the bottom of the ninth as Mazeroski belted what is perhaps the most dramatic home run in baseball history off Ralph Terry. Mazeroski was the only player in baseball history ever to end a World Series with a home run until Joe Carter of Toronto accomplished the feat in Game Six of the 1993 fall classic.

Roberto Clemente

FIRST NIGHT GAME in the History of the World Series

During the 1960's, Clemente established himself among the game's elite players. He collected more hits (1,877) than anyone during the decade and would go on to reach the 3,000-hit plateau in 1972. During his marvelous career, he topped the .300 mark 13 times, won four batting titles and was named the National League's Most Valuable Player in 1966.

During the 1970's, the Pirates were again among baseball's premier teams. In that 10-year span, they won six division titles and finished as low as third only once. In the first 25 years of divisional play, the Bucs won more games (2,100) and finished first more often (nine times) than any other N.L. East club. The Pirates put together a 2,100-1,878 record during that period (.528 winning %).

The Pirates captured two more World Championships during the 1970's. Their 1971 victory over Baltimore was a showcase for Clemente, who batted .414 and received the Series MVP award. In 1979, the Pirates became only the fourth team in history to erase a three-games-to-one deficit when they again bested the Orioles in seven games. Hall of Famer Willie Stargell took home MVP honors — as he did during the regular season — with a .400 batting average, three home runs (including the Series' deciding blow in Game Seven) and seven RBI. It was a fitting conclusion to the decade for Stargell, who was the leading home-run hitter of the 1970's (296). While the Pirates brought two world championships back to Pittsburgh during the 1970's, the Pittsburgh Steelers also came to prominence. The Steelers won four Super Bowls during the 70s, which, coupled with the Pirates success, helped garner Pittsburgh the "City of Champions" label.

Willie Stargell

On October 2, 1985, the Galbreath family and Warner Communications sold the club to Pittsburgh Associates; a group of private investors who were committed to keeping the team in Pittsburgh.

Pittsburgh Associates was made up of 10 investors representing six corporations, three individuals and Carnegie Mellon University. The group included the Aluminum Company of America, Mellon Bank, PNC Financial Corporation, PPG Industries, USX Corporation, Westinghouse Electric Company, Eugene and Raymond Litman, John McConnell and Harvey M. Walken.

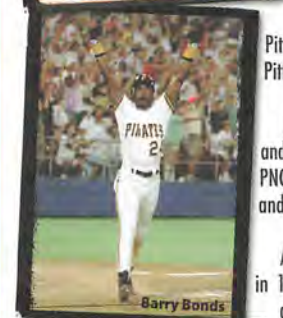

After several lean years in the mid-eighties, the Pirates returned to contention in 1988 when they finished in second place and broke the club's 28-year-old attendance mark.

With players like Barry Bonds, Doug Drabek, Bobby Bonilla and Andy Van Slyke, Pittsburgh started the decade of the 1990's in fine fashion, winning the N.L. East title three straight years. The Bucs became the first team to win three straight division titles since the Philadelphia Phillies accomplished the feat between 1976 and 1978. Bonds captured MVP honors in 1990 and 1992, while Drabek won the Cy Young award in '90. Manager Jim Leyland took home N.L. Manager-of-the-Year honors in both 1990 and 1992. In his 11 seasons at the helm, Leyland won 849 games, placing him third on the club's All-Time Managerial win list.

Pittsburgh was on the brink of a World Series berth in both the 1991 and 1992 season, but the Pirates lost the seventh and deciding game

each year to the Atlanta Braves. In 1992, Pittsburgh came within three outs of the Fall Classic. But in the bottom of the ninth inning at Atlanta's Fulton County Stadium, the Braves triumphed with three runs and won the game 3-2 and the series, four-games-to-three.

The people of Pittsburgh and the surrounding Tri-State area responded well to the club's success in the nineties as the Pirates drew in excess of two million fans in both 1990 and 1991. A crowd of 59,568, the largest ever to watch a professional game in Pittsburgh, witnessed the 65th Major League Baseball All-Star Game, played at Three Rivers Stadium on July 12, 1994. In one of the most thrilling All-Star Games ever to be played, the National League prevailed over the American League in extra frames. Fred McGriff helped send the game into extra innings when he delivered a two-run, pinch-hit home run off Lee Smith in the bottom of the ninth inning that tied the score. After the American League failed to score in the top of the 10th inning, the National League broke its six-game losing streak when Tony Gwynn scored on a double by Moises Alou.

A new chapter of Pirate history began on February 14, 1996, when Kevin McClatchy and his group of investors purchased the storied franchise from Pittsburgh Associates.

Picked by many publications to finish last in 1997, the Pirates remained in the division race until the final weekend of the season and the club was named *USA Today's* "Organization of the Year" at the conclusion of the season. Major League Baseball also underwent a change in 1997 with the birth of Interleague play. That season, the Pirates welcomed the Kansas City Royals to Three Rivers Stadium on June 13 for the club's first interleague matchup, which Pittsburgh won by a score of 4-1. While the Bucs contended for the division during the entire season, one of the most memorable moments of the season came on July 12, 1997. That night, pitchers Francisco Cordova and Ricardo Rincon thrilled Pirates fans

with the only combined, extra-inning no-hitter in major league history. The game ended in the bottom of the tenth inning when Mark Smith delivered a three-run home run for the 3-0 win.

The 2000 season brought an end to a full century of great moments, a 100-year period which began with three straight National League pennants and ended with an aura of hope and dreams of more championships to come. With a new home on the horizon, the Bucs said goodbye to Three Rivers Stadium with their final game ever played there on October 1, 2000. Three no-hitters, Clemente's 3000th hit, two All-Star Games, countless playoff games, two

World Championships and endless summer evenings can be associated with no other place in the history of Pittsburgh than Three Rivers Stadium.

The Pirates closed out their 30-year tenure at Three Rivers Stadium with a 10-9 loss to the Chicago Cubs in the final game of what was the club's home since 1970. Pittsburgh native John Wehner smacked the final home run in the history of the ballpark off Chicago's Jon Lieber. Ironically, Wehner also grounded out to third base for the final out ever at Three Rivers. With the loss, Pittsburgh closed out Three Rivers Stadium with a record of 1,324 wins and 1,082 losses.

In the early morning of February 11, 2001, Pittsburgh bid farewell to Three Rivers when the home of the Pirates and Steelers was imploded.

The anticipation and joy of a new ballpark turned to sorrow, when on the morning of the first regular season game at PNC Park, a beloved member of the Pirates family was lost when Willie Stargell passed away on April 9, 2001.

Despite suffering 100 losses for just the seventh time in club history in 2001, fans came out in record numbers as the Bucs played in front of 19 sellouts and a total of 2,436,139 customers during the inaugural season at PNC Park.

On June 25, 2002, the Pirates registered the 9,000th win in the history of the franchise with a 4-1 victory over the Montreal Expos, thus becoming just the fourth club to produce 9,000 wins.

The Pirates have had a long list of sluggers in their history and Brian Giles added his name to that list during his five seasons in a Bucco uniform. He hit 30 or more home runs in each of his first four seasons with the club, just one of three Pirates to hit 30 or more long balls in four consecutive years (also Hall-of-Famers Ralph Kiner and Willie Stargell). His 165 home runs with Pittsburgh rank sixth in club history.

Jason Kendall

All-Star, Bay was a fan favorite at the 2006 All-Star Game in Pittsburgh.

Catcher Jason Kendall spent each of his first nine big league seasons in a Pittsburgh uniform after being selected in the first round of the 1992 June draft. In that time, he made 1,205 appearances behind the plate. That figure ranks first all-time in the annals of the club, 50 games ahead of George Gibson, who caught for the Bucs from 1906 thru 1915. Kendall surpassed Gibson's 90-year-old record in Los Angeles on August 3, 2004.

For the first time in team history a Pittsburgh player captured Rookie-of-the-Year honors as outfielder Jason Bay took home the honors in 2004. A two-time National League

The national spotlight shined once again on the city of Pittsburgh during the 2006 season as the Major League Baseball All-Star Game was played at PNC Park, marking the fifth time the event has been held in the Steel City. The American League won a dramatic 3-2 decision in the Midsummer Classic as the Pirates became the first team in baseball history to host the All-Star Game in three different venues.

Freddy Sanchez

Also in 2006, Freddy Sanchez added his name to the club's record list of 25 batting champions as his .344 average led the National League. Sanchez banged out 200 hits in 2006 and led the N.L. with 53 doubles while being named to his first of two All-Star teams.

On January 18, 2007, Bob Nutting officially assumed control of the ballclub, thus becoming only the sixth principal owner in the Pirates storied history. Following a deep look into the team's operations, Nutting has built a fundamentally different organization by introducing Frank Coonelly as the team's new president on

September 13, 2007 and, in-turn, Neal Huntington as the team's new General Manager on September 25, 2007. From there the new leadership team has made significant changes to each of the three major areas - Major League manager/coaching staff, Scouting Director and Farm Director, with the goal of building an organization that can consistently compete.

1902

1900-1910: The jersey of this period was short-sleeved with no trim except for a dark blue collar. Stockings were dark blue with red stripes and the cap was blue with a white "P". A "PBC" monogram signifying Pittsburgh Baseball Club was also added to the left sleeve later in the decade.

1912

1910-1920: The regular collar was replaced by the short, stand-up "cadet" style with a button collar. Pinstriped material was also introduced. As the team nickname became more accepted, "Pirates" was displayed in capital letters down the button planel (1912). The cadet-style collar soon gave way to a tapered collar extension, but the button planel remained solid dark blue with white buttons and a "P-P" straddling the top button (1913-14). Later in this decade, the cap had piping and also included a "P" in white or red.

1921

1921-1932: Standard white uniforms were worn at home and gray on the road with simple graphics and solid colors. The 1925 & '27 championship teams wore the standard capital "P" on its sleeves but not on the jersey.

1933-1937: The Pirate uniforms brightened up considerably with added colors, trim features and graphics. The name "Pirates" was placed across the jersey in an arc of fancy red and blue capital letters. Solid blue belts were included and piping trim on the uniforms included blue and red. A red "P" was also placed on the solid blue cap.

1938

1938: The name "Pirates" appeared on the jersey in script lettering with underline flourish.

1939-1946: A zipper front replaced the button-down jersey.

1940: The uniform abandons the traditional "P" or "Pirates" for an emblem of an actual buccaneer. The patch was placed on the left breast of both the home and road jerseys. This was the first time an emblem of the team's nickname was ever worn on a game jersey.

1940

1948: The team replaced the traditional blue and red with the present day black and gold. The script "Pirates" and "Pittsburgh" was replaced with the block lettering that you still see today. The cap became solid black with a gold "P".

1953: The word "Pittsburgh" is removed from the road jersey, and replaced with "Pirates".

1957: The Pirates became the second team to begin wearing sleeveless jerseys.

1962: Numbers were introduced on the front of the home and road jerseys and have been there ever since.

1948

1962: The Pirates became the first major league club to adopt the new double-knit fabric uniforms, which they debuted at the first game at the new Three Rivers Stadium. The jersey became a pullover with no button or zipper. The pants contained a built-in sash belt. The cap crown was mustard yellow with a black bill. Within two years, nearly every other club was wearing a double-knit uniform.

2009 PITTSBURGH PIRATES MEDIA GUIDE

1976: The Pirates, as well as other clubs, commemorate the National League's centennial by wearing the old striped, pill-box style caps. The Bucs wore yellow caps with a black bill and black stripes.

1977-1979: Abandoned were the traditional white and gray uniforms in exchange for combinations of white, gold, black and pinstriping. The caps became black with yellow stripes. Players' last names appear on the back of the jerseys for the first time.

1985: The Pirates returned to the basic white and gray uniform.

1987: The Pirates replaced the striped cap in favor of the traditional standard black round crown type.

1990: A script "Pittsburgh" is added to the gray road uniform for the first time since 1952.

1991: The Pirates return to button-down jerseys and belted pants.

1995: Going back to a more traditional look, the Pirates removed the names from the back of the jerseys.

1996: That change lasted only one year, as the Pirates return the names to the back of the jerseys.

1997: The organization introduces a complete new look by wearing an alternate home jersey as well as bringing the color "red" back into the uniform for the first time since 1946.

2001: With the opening of PNC Park, the club enters a "New Era of Baseball." The team re-introduces the sleeveless jersey as part of both the home and road uniform. The Pirates also become the first team ever to wear a cap with a red underbill (cap worn with the alternate home jersey only).

2005: The Pirates re-introduce pinstripes to the uniform. The alternate uniforms are worn on Sunday home games.

2007: The club introduces a red, sleeveless jersey to be worn on selected home dates.

2009: The Pirates re-introduce sleeves to their home and road jerseys and added a black alternate jersey. The sleeveless pinstriped jersey remains.

The Pirate "P"

In 2009, the Pirates will introduce a black alternate jersey that takes a step back 74 years by replacing the team name with the standard gold "P" logo that was introduced in 1948.

The Pirates' "P" made its debut in red on the left breast pocket of the 1906 road jersey, making subsequent appearances in 1907 and 1911. In 1915, the "P" returned to the pocket and stayed there through 1920. From 1921-22, the pocket was abandoned and a much larger blue "P" was sewn directly onto the jersey itself. In 1923, the "P" migrated to the shoulder and stayed there until '32, when it reemerged on the left breast on both home and away jerseys. A red "P" was worn on home jerseys only in 1933-35. With the exception of 1940 & 1941 when the Pirate emblem adorned the left breast, our home jerseys have had "Pirates" across the chest since 1936.

SCOUTING

GREG SMITH

Director of Scouting

Greg Smith is in his second season as Pittsburgh's Director of Scouting, having been named to the position on November 7, 2007.

In 2008 Smith spearheaded the club's First-Year Player Draft efforts and selected Vanderbilt third baseman Pedro Alvarez - who was rated by *Baseball America* as the "No. 1 prospect" in the draft - with the second pick overall. The Pirates signed 32 of their 50 picks from the 2008 draft and selected 33 players from the college ranks.

Smith is a 17-year scouting veteran, having spent the previous 11 seasons with the Detroit organization, working the last three years (2005-07) as the club's special assignment scout.

Prior to 2005, Greg spent eight seasons (1997-2004) as Detroit's Director of Scouting where he oversaw the First-Year Player Draft and international scouting. He also simultaneously served as the Club's Director of Player Development from 2000-2002. Before joining the Tigers organization, Smith spent seven years (1990-96) as an area scout with the San Diego Padres, covering areas from Florida to Maryland.

Under Smith's guidance, the Tigers selected 2006 American League Rookie of the Year Justin Verlander with the second overall pick in the 2004 draft. Smith and his staff were rated by *Baseball America* as having the strongest draft of all 30 major league clubs in 2002, a year in which the club selected outfielder Curtis Granderson in the third round and right-handed pitcher Joel Zumaya in the 11th round. Additionally, Greg was directly responsible for the signing of Jair Jurrjens as a non-drafted free agent out of Curacao. During Smith's tenure as Director of Scouting, the Tigers signed and developed over 40 players who reached the Major League level.

Smith spent seven years (1990-1996) as an area scout with the San Diego Padres before joining the Detroit organization. An outfielder/first baseman during his playing days, he signed with the Padres as a free agent on 6/7/88 and played three seasons in the minor leagues with Spokane (1988), Charleston, SC (1989) and Riverside (1990), a club managed by Bruce Bochy.

Greg was born on 2/2/66 in Chattanooga, TN. He received his bachelor's degree in Sociology in 1998 from Vanderbilt University, where he also played baseball and led the SEC in hitting in 1987. Smith resides in Pittsburgh with his wife Martha.

JOE DELLI CARRI

Assistant Scouting Director

Joe Delli Carri was named Pittsburgh's Assistant Director of Scouting in November of 2006. He joined the Pirates scouting staff on November 7, 2005, spending the 2006 season as the East Coast Supervisor.

Prior to joining the Pirates, Delli Carri spent 10 seasons in the New York Mets scouting department, working as a South Regional Supervisor (2001-2005) and an Area Supervisor (1996-2000).

Originally selected by the Mets in the 38th round of the 1989 June draft, Joe made his professional debut with St. Lucie that summer. He spent five seasons in the New York minor league system before being traded to Detroit on 2/17/94. An infielder during his playing days, Delli Carri retired following the players strike in 1995. He returned to the New York organization and served the Mets as their Double-A Hitting Coach at Binghamton during the '95 campaign before joining the scouting staff in 1996.

Joe was born on 1/16/67 in Bronx, NY, and graduated from Bergen Catholic High School in Oradell, NJ. He received his bachelor's degree in Sociology of Law from the University of Pennsylvania. Delli Carri and his wife Cindy have three daughters; Allison (8), Julia (6) and Paige (4).

RENE GAYO

Director of Latin American Scouting

Rene Gayo is in his sixth season as a member of the Pirates Scouting department. In his role, he coordinates and supervises the club's International Scouts in attempts to sign players on the global level - with a heavy emphasis in Latin America.

Prior to joining the Pirates, Gayo spent five years (1999-2003) as the Director of International Scouting/Latin American Crosschecker with the Cleveland Indians. His tenure with the Tribe began in October of 1993 as an area scout, a position he held for eight seasons (1994-2000) mainly in South Texas and Louisiana. When his role on the international level began to expand during his tenure with the Indians, Rene was responsible for signing Fausto Carmona, Rafael Perez, Willy Taveras and Jhonny Peralta among others.

Gayo played one season of professional baseball in the Cincinnati Reds organization as a catcher before turning his attention to scouting and player development. He served the Pirates as a part time scout for four years (1989-1992) and the Texas Rangers in 1993 before joining the Indians.

Rene is of Cuban descent and was born on 9/21/62 in Miami, FL. He was raised in Chicago and currently resides in Alvin, TX, with his wife Leticia and son Manny (15). Gayo attended Gordon Technical High School in Chicago, IL, where he lettered in baseball, hockey and speech & debate before going on to earn an economics degree from St. Mary's University in San Antonio, TX. Kyle Stark is in his second season as Pittsburgh's Director of Player Development. He was named to his current post on November 7, 2007.

Stark is responsible for all aspects of the Player Development system, including the club's six affiliates in the United States as well as academies in the Dominican Republic and Venezuela. The Pirates player development system is focused on helping all players reach their potential – personally, mentally, physically, and fundamentally – and develop as professionals. This is accomplished through a relentless, systematic, and cohesive approach involving structured, consistent, progression-oriented instruction throughout the organization and detailed, written development plans for all players.

Prior to joining General Manager Neal Huntington's staff, Stark spent four years in Cleveland's Baseball Operations department, assisting in all areas of Scouting, Player Development and Major League Operations. In 2006 and 2007, Stark performed the baseball related duties of the Assistant Farm Director, oversaw the club's efforts in Pacific Rim Scouting, and coordinated the club's Advanced Scouting while providing supplemental Advance Scouting reports.

Kyle was born on 7/9/78 in Bradford, PA. A 1999 graduate from Ball State University, Stark received a law degree from the University of Toledo in 2002 and a master's degree in Business Administration from St. Bonaventure in 2004. The Dominican Summer League Pirates posted a winning record for the fourth straight season after going 40-30 in 2008. The DSL Buccos finished in third place and 6.5 games behind the DSL Rangers 1 squad in the San Pedro de Macoris Division.

Elicer Navarro was one of the standouts on a pitching staff that posted a 3.28 ERA. Navarro finished the season ranked 10th in the league with a 1.42 ERA and third among all DSL pitchers with 108 strikeouts. Righthander **Rikelvin Cedano** had a team-high six victories while also posting a 2.19 ERA in his 14 appearances (13 starts). **Melkin Laureano** provided solid relief in his first season with the Dominican squad after going 4-1 with a 2.27 ERA in a team-high 20 appearances.

Offensively the DSL Pirates finished ninth in the 37-team circuit with 27 home runs. **Starling Marte** led the team with nine home runs while ranking fourth in the league in that department. Marte also ranked fourth in the league with 53 runs scored, while leading the DSL Pirates with 20 stolen bases and ranking second with 44 RBI.

Pedro Chavez also put together a solid season at the plate. Chavez finished the season tied for third in the league with 47 RBI while also collecting a team-best 18 doubles.

On January 22, 2008, the Pirates broke ground on a 46-acre training facility in El Toro, Dominican Republic. Owner Bob Nutting, President Frank Coonelly, General Manager Neal Huntington and various Pirates players were on hand for the groundbreaking ceremony.

Breaking ground for the new Dominican Republic facility on January 22, 2008

The facility, which is scheduled to be completed in the summer of 2009, will replace the inadequate and spread-out rented facility that the organization had been using as its developmental headquarters in the Latin American country. When completed, the Pirates will be one of just seven Major League teams to own its own facilities in the Dominican Republic.

The arched-crown facades of the two building frames, which will dominate the new Latin American Academy, resemble Pirate City in Bradenton, Florida, while the blue-steel frames for

the covered dugouts, batting cages and observation deck look like additions to PNC Park. Highlights of the new facility will include:

On-site housing for up to 90 players and coaches, including 18 rooms to house players on the Pirates' Dominican Summer League team. Also located in this main building will be a dining hall, player lounges with stations to watch film, and educational classrooms, where players will take both Spanish reading and writing courses as well as English speaking courses.

A clubhouse and baseball training building next to the dormitories. Located inside this building will be a weight room, training room and coaches locker room, among other things.

There will also be a quadrangle of four fields. Two will be full fields, including one used for summer league games, another a half-field for infield work and the fourth a grassy stretching area. The dugouts, bleachers and observation stations will all be covered as a means of countering the frequent rain storms in the country. There will also be four covered batting cages and six bullpen mounds.

The location of the new academy will be convenient for the Pirates as well as visiting staff members and opposing teams. The complex is a few minutes north of the international airport, located in the capital of Santo Domingo. It also is close to several other academies, including those of the New York Yankees and Mets, Boston Red Sox, Los Angeles Dodgers, Tampa Bay Rays and Kansas City Royals.

HOW TO FIGURE

BATTING AVERAGE: Divide the number of hits by the number of at bats.

EARNED RUN AVERAGE: Multiply the number of earned runs by nine and then divide that number by the number of innings pitched.

FIELDING AVERAGE: Divide the total putouts and assists by the total of putouts, assists and errors.

MAGIC NUMBERS: Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

ON-BASE PERCENTAGE: Add the total of hits, walks, hit by pitches and divide by the total of at bats, walks, hit by pitches and sacrifice flies.

SLUGGING AVERAGE: Divide the total bases of all safe hits by the total times at bat (at-bats do not include walks, sacrifices, hit-by-pitch, or times awarded first base because of interference or obstruction).

WINNING PERCENTAGE: Divide the number of games won by the total games won and lost.

QUALIFICATIONS FOR BATTING CHAMPIONSHIP: Highest batting average based on a minimum of 502 plate appearances, the equivalent of 3.1 appearances for each of the 162 scheduled games, which may include walks, sacrifices, hit by pitch, etc.

QUALIFICATIONS FOR PITCHING (ERA) CHAMPIONSHIP: Lowest earned run average with a minimum of 162 innings pitched.

QUALIFICATIONS FOR A FIELDING CHAMPIONSHIP: The fielders with the highest fielding average at each position, provided:

- (1) A catcher participates as a catcher in at least one-half the number of games scheduled for each club in his league that season.
- (2) An infielder or outfielder must have participated at his position in at least two-thirds of the number of games scheduled for each club in his league that season.
- (3) A pitcher must have pitched at least as many innings as the number of games scheduled for each club in his league that season. **EXCEPTION:** if another pitcher has a fielding average as high or higher, and has handled more total chances in a lesser number of innings, he shall be the fielding champion.

NOTE: These figures DO NOT determine Rawlings Gold Glove winners at the end of the season. Those are selected by a vote of managers and coaches.

QUALIFICATIONS FOR A ROOKIE: A player with no more than 130 at bats or 50 innings pitched in the Major Leagues during the previous season or seasons, nor more than 45 days on a Major League roster during the 25-man player limit (excluding time in military service).

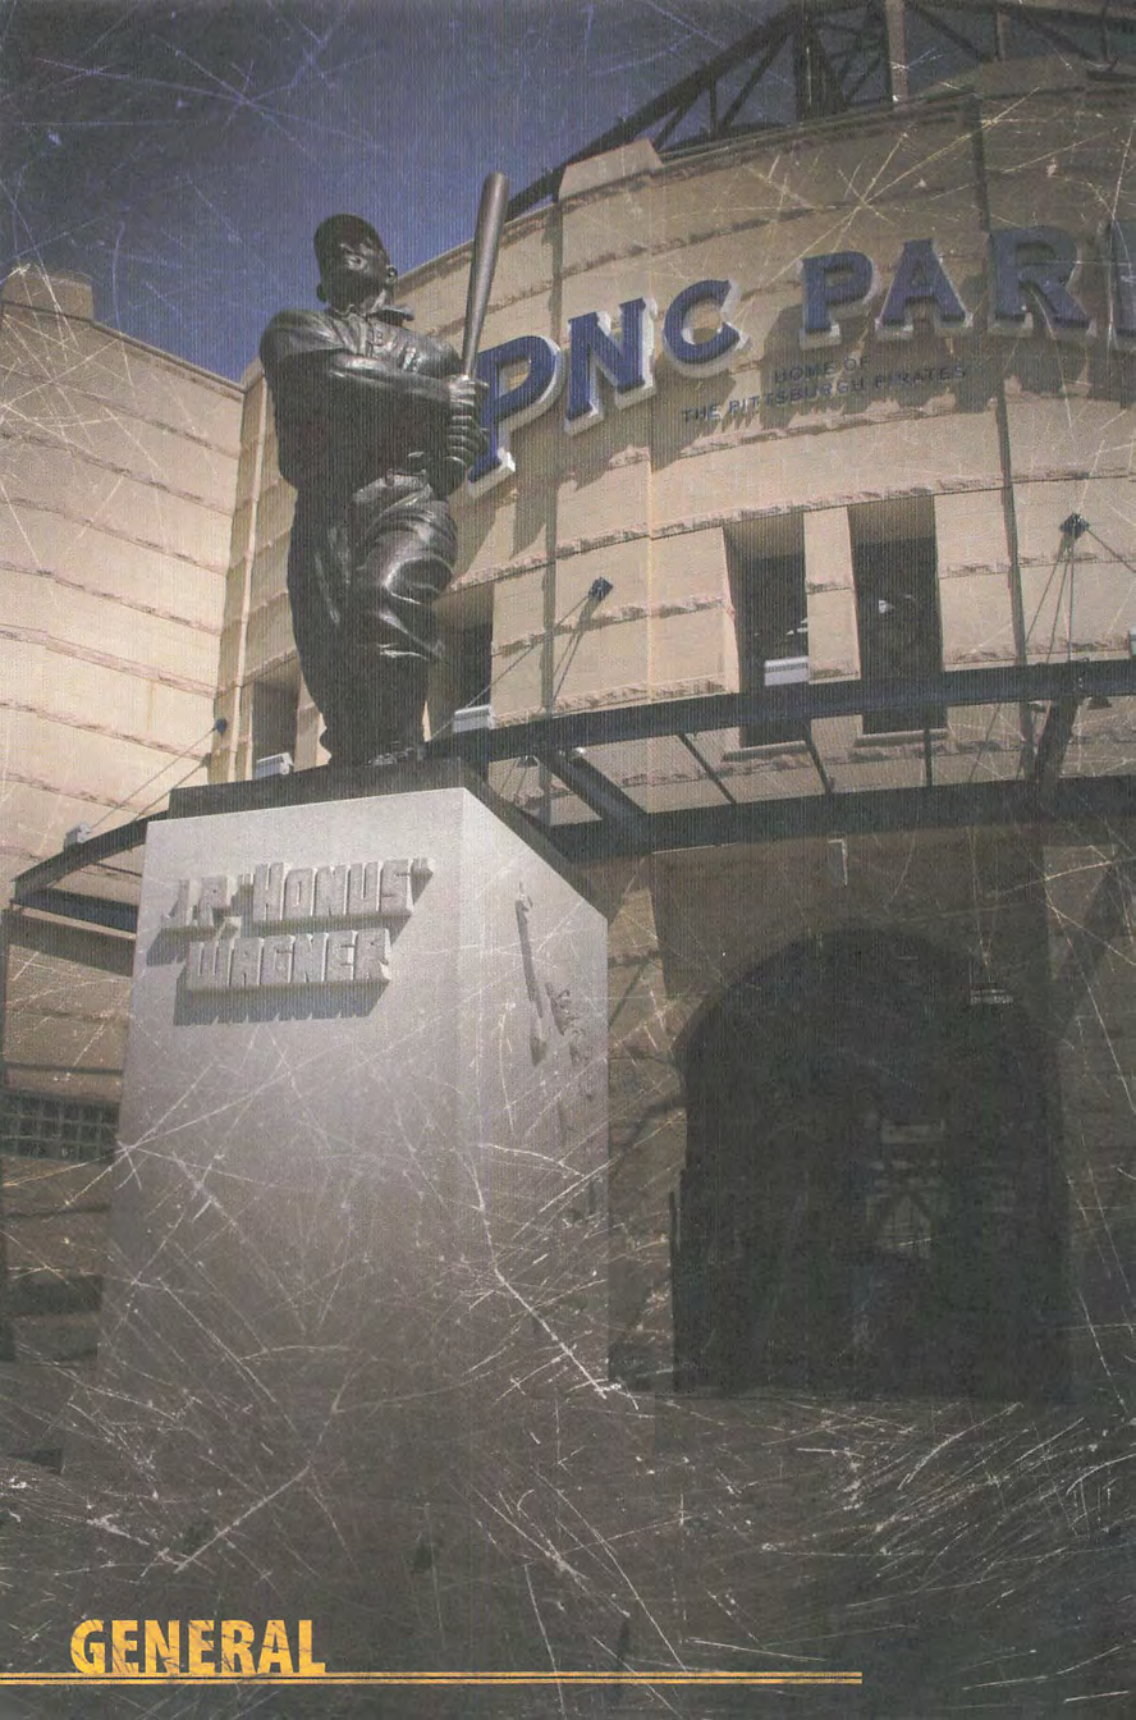

PINCH HITTING: A player shall be considered a pinch-hitter only if he enters the game as a substitute batter and then only on his first time at bat, which must be before he becomes a fielder. If the team bats around in the inning and a pinch hitter comes up a second time, he will not be considered a pinch hitter the second time.

CONSECUTIVE HITTING STREAKS: A consecutive hitting streak shall not be terminated if the plate appearance results in a base on balls, hit batsman, defensive interference or a sacrifice bunt. A sacrifice fly shall terminate the streak.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit. The player's individual consecutive-game hitting streak shall be determined by the consecutive games in which the player appears and is not determined by his club's games.

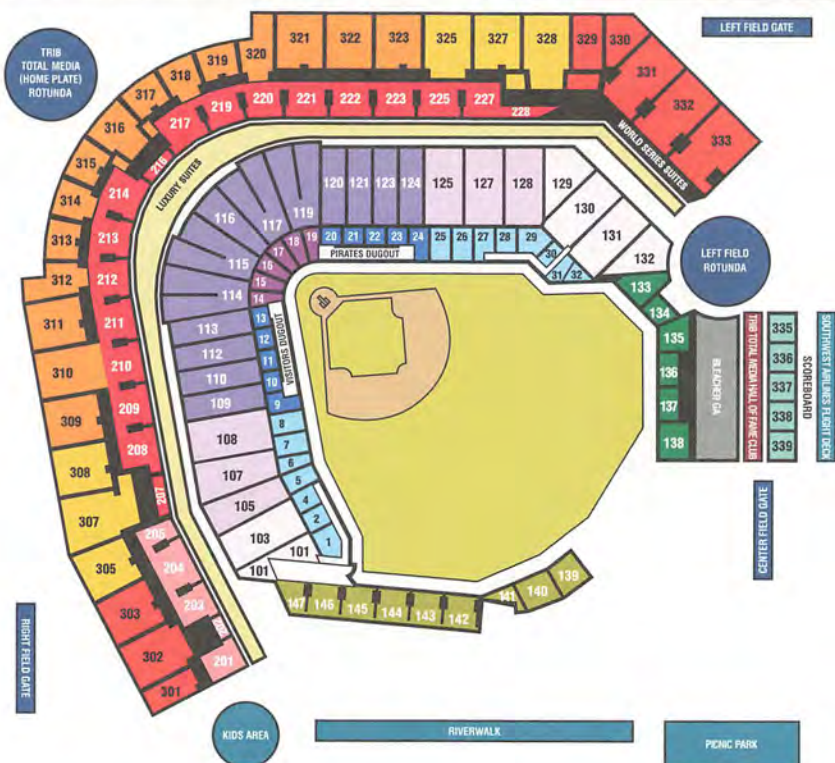

CONSECUTIVE-GAME PLAYING STREAK: A consecutive-game playing streak shall be extended if the player plays one-half inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

DETERMINING GAMES AHEAD/BEHIND: Subtract the team's wins from the first place club's wins and subtract the first place club's losses from the team's losses. Add the results and divide by two.

PNC PARK STATUE INFORMATION

HONUS WAGNER

The Honus Wagner statue has had three different "homes" since being dedicated on April 30, 1955. Originally, the Wagner statue was located in Schenley Park, close to the Pirates early home, Forbes Field. It was then moved to Three Rivers Stadium and erected outside Gate C on July 21, 1972.

The statue is now located at the home plate entrance to PNC Park. Honus Wagner's statue was sponsored by the Pittsburgh Professional Baseball Association as a lasting tribute to his character and abilities. Contributions to the statue fund were in amounts ranging from \$1,000 to \$1.00 and were received from thousands of individuals, organizations and foundations. Names of all contributors were then inscribed on one continuous roll and put in a stainless steel, hermetically-sealed tube before being placed inside the statue.

"No one player has ever brought more honor to the game of baseball than has Honus Wagner," said former Pirates President Bill Benswanger, who served as master of ceremonies at the original statue dedication in 1955.

ROBERTO CLEMENTE

The Roberto Clemente statue was dedicated on July 8, 1994, to kick off All-Star Week in Pittsburgh. It was originally erected outside Gate A at Three Rivers Stadium and is now located outside the Center Field Gate to PNC Park, a few steps away from the Roberto Clemente Bridge.

The base of the statue is black granite and stainless steel with a diamond set in the center. Glass blocks represent first, second and third base. Beneath the glass is soil from Puerto Rico - where Roberto first played the game - Forbes Field and Three Rivers Stadium. The soil is marked as "hallowed ground," a place of transcendence where the past, present and future of baseball meet and to which each individual can bring his or her own memories.

Encircling the diamond and set in the stainless steel is a timeline of Clemente's life. Fifteen inscriptions run counter-clockwise around the diamond, beginning at homeplate and ending somewhere between third base and home. There is space for a 16th inscription, but it remains empty, a reflection of the incomplete circle of Roberto Clemente's life. Susan Wagner sculpted the 12-foot bronze statue of Clemente and L.D. Astorino & Associates, Ltd., served as the architect of the project.

WILLIE STARGELL

On September 29, 2000, the Pirates announced that a statue of Willie Stargell would be unveiled at the club's new home, PNC Park. The announcement was made during the last weekend of Pittsburgh's final games at Three Rivers Stadium.

Stargell, however, did not live to see the day he would be forever immortalized at the statue unveiling on April 7, 2001. After not being able to attend the unveiling ceremony because of an illness, the Hall-of-Famer passed away in the early morning hours of April 9, the same day PNC Park officially opened its doors to begin a new era of Pirates baseball.

The 12-foot bronze statue stands along Federal Street at the entrance to left field at PNC Park. At the base of the statue is a quote from Stargell: "Last night, coming in from the airport, we came through the tunnel and the city opened up its arms and I felt at home." Also throughout the base of the statue are "Stargell stars," which the Pirates all-time home run leader handed out to his teammates towards the conclusion of his 21-year playing career with Pittsburgh.

RALPH KINER

The Pirates unveiled a sculpture of Hall-of-Fame outfielder Ralph Kiner at PNC Park on April 7, 2003, as part of the club's opening day festivities. It is located behind the bleacher seats in left field, along the main level of the ballpark.

Kiner played for the Pirates for just seven seasons (1946-1952), but still ranks second on the club's all-time home run list behind Willie Stargell. He was inducted into the Baseball Hall of Fame in 1975 and had his No. 4 jersey retired by the Pirates in 1987. Kiner holds many club records and is still one of only three National League players to ever hit eight home runs in one week.

The club announced it would immortalize the former slugger in March of 2003. Kiner won or shared the National League home run title in each of his seven seasons with Pittsburgh, a streak still unmatched in either league. The hands and bat were sculpted by Susan Wagner, the lady who also designed the Roberto Clemente and Willie Stargell statues.

GREG BROWN

Play-by-Play Announcer

Greg Brown is in his 16th season as a radio and television play-by-play announcer with the Pirates, one of only six with at least 15 years of service behind the mic for the Bucs on radio.

Prior to joining Pittsburgh's broadcast team, he spent five seasons (1989-1993) doing play-by-play and color commentary for the Buffalo Bisons of the American Association as well as hosting a sportstalk show on WGR Radio. Brown also worked as a color analyst and a pre- and post-game show host for the Buffalo Bills of the National Football League for five seasons (1989-93). Also during his time in Buffalo, Brown served as a play-by-play announcer for University of Buffalo basketball on WGR Radio and as a broadcaster for the Empire TV Sports Network.

Greg's association with the Pirates actually began in 1979, when he interned in the Promotions department while attending Point Park College. Following the World Series that year, Brown worked as the clubhouse manager during the Instructional League program in Bradenton, Florida. His 10-year stint in the Bucs front office included work in the Sales, Public Relations and Broadcasting departments. Greg also served as the team's public address announcer during the 1987 campaign. In 1988, he was a sports anchor on WFMJ-TV in Youngstown, OH.

Brown is a native of Washington, D.C. He currently resides in Leet Township with his wife Kim and son Ryan (10).

TIM NEVERETT

Play-by-Play Announcer

Tim Neverett joined the Pittsburgh broadcast team on December 18 and is in his first season as a radio and television play-by-play announcer with the club.

Prior to joining the Pirates, Neverett spent the last four years working for FSN Rocky Mountain, where he spent the 2008 campaign serving as both the pre-game and post-game studio host for Colorado Rockies games. During his tenure with FSN Rocky Mountain, Tim also served as a play-by-play announcer for Rockies games, college football, basketball, hockey and lacrosse, as well as arena football and track and field. In addition, he served as the VERSUS Network's national college basketball play by play voice, while also working a number of the network's college football games.

Neverett was also one of the original play-by-play and studio voices for the mtn, The Mountain West Conference Sports Network, where he called a number of football and basketball games along with hosting a weekly roundtable studio show. In addition, Tim worked as a weekend talk show host for the nationally syndicated Sporting News Radio Network, where his show was heard on over 160 stations nationwide. He also served as a Sports Talk Host for ESPN 560 in Denver, Colorado, where he was named the 2005 Best Radio Sports-Talk Host by *Westword* magazine in its annual "Best of Denver" issue.

Neverett also called baseball, softball, basketball and soccer during the 2004 Athens Olympics and 2008 Beijing Olympics. During the 2002 Salt Lake City Olympics and 2006 Olympic Games in Torino he handled play-by-play duties for hockey and numerous skiing events. The multi-national feeds were seen in more than 100 countries.

Prior to his time in Denver, Neverett lived in Las Vegas, where he called games on radio and TV for the Padres and Dodgers Triple-A teams. He also served as the play-by-play voice for Las Vegas' International Hockey League team for five seasons, then added college baseball and football at UNLV to his duties.

Neverett began his baseball broadcasting career in 1985 with Pittsburgh's Double-A affiliate in the Eastern League. At the age of 19, he had the opportunity to fill in calling radio play-by-play of Nashua Pirates games, which led to more innings and ultimately a schedule of games that season.

Tim and his wife, Barbara, have three sons; Matthew (14), Kyle (12) and Drew (9). He is a graduate of Emerson College in Boston where he lettered in baseball for four seasons.

STEVE BLASS

Color Analyst

The 2009 season marks Steve Blass' 50th year of involvement with the Pirates. He has been associated with the club since signing his first professional contract on June 27, 1960.

A right-handed pitcher, Blass made his professional debut with Kingport in 1960 and his Major League debut with the Bucs on May 10, 1964. He joined the big league team permanently in 1966 and went on to pitch a total of 10 seasons in the Majors, compiling a 103-76 record, 57 complete games and 16 shutouts in 282 games (231 starts). Steve ranks seventh on the club's all-time list in strikeouts (896).

In his third full season in the Majors in 1968, Steve went 18-6, leading the league with a .750 winning percentage while posting a 2.12 ERA, 12 complete games and a career-high seven shutouts. His 2.12 ERA ranked fifth in the N.L. as St. Louis' Bob Gibson led the circuit with a 1.12 ERA.

During a five-year span from 1968 thru 1972, Blass was one of the best pitchers in the National League as he compiled a 78-44 record, 50 complete games and a 3.05 ERA. He won a career-high 19 games in 1972 and was named to the National League All-Star team that season.

In the 1971 World Series against the Baltimore Orioles, Blass recorded two complete game victories, allowing only seven hits and two runs in 18 innings of work. He finished second in the voting for World Series MVP behind teammate Roberto Clemente and remains the last National League pitcher to throw a complete game in Game Seven of a World Series.

After retiring following the 1974 season, Blass remained in the Pittsburgh area and worked in private business, while continuing to do community service for the ballclub.

In 1983, he worked with the legendary and Hall of Fame broadcaster Bob Prince on Pirate cable telecasts and was also retained the following year when the cable rights were secured by Home Sports Entertainment. Blass officially joined the Pittsburgh Pirates radio broadcast crew in 1986.

For the fifth straight season, Steve will work only those games played at PNC Park. He will continue in his role as an analyst on both radio and TV. Only Lanny Frattare (33 years) and Bob Prince (28) have spent more years behind the microphone than Steve (23).

A native of Canaan, CT, Steve and his wife Karen live in Upper St. Clair. They have two sons, David and Christopher, and five grandchildren. In 2002, Steve became the 13th recipient of the "Pride of the Pirates" award, a yearly honor (since 1990) which recognizes a member of the Pirates family who has demonstrated the qualities of sportsmanship, dedication and outstanding character during a lifetime of service.

BOB WALK

Color Analyst

After spending 14 seasons in a Major League uniform, Bob Walk is in his 16th season as a member of the Pirates broadcast crew. He joins Greg Brown as being one of only six men with at least 15 years of service behind the mic for the Bucs on radio.

The former right-handed pitcher spent 10 of his 14 years pitching in the Major Leagues with Pittsburgh (1984-1993). He compiled a 105-81 lifetime record, which included an 82-61 mark with the Pirates.

Walk's professional career began with Spartanburg in 1977 after he was drafted by the Philadelphia Phillies in the 3rd round of the 1976 June draft. He made his big league debut with the Phillies in 1980 and was the starting pitcher in Game One of the World Series that October against Kansas City.

MEDIA INFORMATION

MEDIA POLICIES

WELCOME: On behalf of the Pittsburgh Pirates organization, we would like to welcome you to the ninth season of baseball at PNC Park, recognized by many as the best baseball park in America. Any violation of the following guidelines, or the rules and regulations set forth by Major League Baseball, may result in immediate revocation of your credential and bar future access to PNC Park. If you have any questions or requests, please don't hesitate to ask the Communications staff and we will make every attempt to accommodate you. We look forward to working with you once again throughout the 2009 season.

THE PIRATES MEDIA RELATIONS OFFICE: Located on the fourth floor of the team's administrative building on the corner of General Robinson Street and Federal Street. All persons wishing to visit the media relations office must sign in with the 24-hour security guard on the street level of the building.

CONTACT INFORMATION: Any media needing credentials or parking should contact Dan Hart at dan.hart@pirates.com or Jim Trdinich at jim.trdinich@pirates.com. Senior Director of Communications, Brian Warecki, can be reached at brian.warecki@pirates.com and Manager of Business Communications Matt Nordby can be reached at matt.nordby@pirates.com.

MEDIA ENTRANCE TO PNC PARK: All members of the media must enter the ballpark at the "Press Tower" - the tallest of the two towers located on General Robinson Street, adjacent to the Home Plate entrance to the park (left-field line). **YOU MUST HAVE A PHOTO ID TO GAIN ACCESS TO THE BALLPARK.**

PRESS BOX/BROADCAST BOOTHS: All broadcast booths are located on the press box level. Access to the press box is available only by the "Press Tower" elevator. **Only accredited members of the media and credentialed personnel will be permitted in the press box.** The press box is an active working area. Cheering and loud conversation will not be tolerated at any time. **The Pittsburgh Pirates prohibit any person under the age of 18 to enter the press box level on game days** (unless authorized or accompanied by a representative of the Communications department). Anyone violating these policies will be asked to leave the premises. No cameras (still or video) are allowed in the press box unless authorized to do so.

PARKING: Media parking is very limited. Daily requests will be handled on a first-come, first-served basis. Season parking passes will be distributed along with season credentials in March (if applicable). Those media members receiving a 2009 season parking pass will park in one of the garages located on the North Shore.

INTERVIEW ROOM: Located along the Service Tunnel between the home and visiting clubhouses. The room will be used for media conferences and other special events and interviews. The manager of the home team will conduct his post-game interview in this room following each game at PNC Park.

PRESS LOUNGE: Located along the Service Tunnel between the home and visiting clubhouses. The lounge is open to credentialed members of the media and front office staff 2 hours prior to the game. The lounge will close approximately 1 hour after the start of the game. A full meal is served to all media for \$8. Soft drinks and snacks will be available during games on the press level.

WIRELESS ACCESS: The press box at PNC Park is a wireless internet facility. Complete wireless information is available in the back of the press box.

NO SMOKING: Smoking is prohibited at all times in the press box and in the broadcast booths.

SEASON CREDENTIALS: Season credentials must include a photo of the bearer and will be issued only to those legitimate news-gathering sources who will cover the Pirates every day (past coverage will also be taken into consideration). Only members of the working press will be issued credentials (this does not include freelance writers and photographers). No one under 18 years of age will be issued working credentials, unless clearance has been given by the Pirates. Only Pittsburgh Pirate, National League or BBWAA-issued credentials will be honored. **Credentials are not transferable and should be visible at all times.**

DAILY CREDENTIALS: These will be issued to those who do not qualify for season credentials, including weekly and monthly publications. Daily credentials will also be issued to area radio and television stations when the need arises for extra pre/post-game personnel and daily newspapers making last-minute changes in coverage. We ask that all daily requests be made at least 24 hours in advance of the desired game. **All daily credentials must be picked up at the MEDIA ENTRANCE to PNC Park**, located along General Robinson Street, adjacent to the Home Plate entrance to the park. All media must show photo identification and observe the rules and regulations set forth by Major League Baseball before gaining access to PNC Park.

CREDENTIAL REQUESTS: All requests must come from sports editors, sports directors or photo editors and submitted on official media outlet letterhead. Requests for daily credentials can be faxed to (412) 325-4413 or e-mailed to either member of the Media Relations staff at dan.hart@pirates.com or jim.trdinich@pirates.com.

MEDIA INFORMATION

ON-LINE SERVICES: Per Major League Baseball guidelines, the Pirates will not issue working credentials to any on-line service or blogger, unless they meet each of the following criteria:

1. It is part of a national news gathering agency.
2. It reaches a broad audience.
3. It produces original content.
4. It has an established record of developing original content.
5. It employs full-time journalists.

CLUBHOUSE ACCESS: Both clubhouses are located along the Service Tunnel. The Pirates clubhouse is on the third base side and the Visitor's clubhouse is on the first base side. The Pittsburgh clubhouse is open to credentialed media from 3 1/2 hours prior to game time until one hour before game time. It re-opens to credentialed media within 10 minutes following the conclusion of the game (unless there is a team meeting). The manager's office may be open briefly between games of a doubleheader. The clubhouse is closed during rain delays. It is also closed while the club is taking batting practice on the field, unless the player needed is in the clubhouse. Access to the visiting clubhouse will be determined solely by the visiting club's policies. In addition, the clubhouse is not a "lounge" for members of the media. We realize that some players are difficult to track down prior to a game, but we ask that you do not just hang out in the clubhouse. If you have specific interview requests for a player or coach, we encourage you to contact a member of the Pirates' Media Relations staff, who will try to accommodate your needs.

Per Major League Baseball, all visitors to the home and visiting clubhouses must sign in before entering.

FIELD ACCESS: The field and dugouts are accessible to credentialed media from the time the press gate opens until the end of the visiting club's batting practice. If the visiting club does not take batting practice, the field is accessible until 45 minutes before game time. At no time is the media permitted in fair territory and all media must stay inside the first and third base bags. Access to the field is available on the Service Level only by one of two tunnels: one leading into the visitor's dugout or one located right outside the home clubhouse, which leads to the area adjacent to the third-base bag and Pirates dugout.

AUTOGRAPH POLICY: Credentialed members of the media are prohibited from requesting autographs or equipment on the playing field, in the dugout or in the clubhouse. Should the need arise for an autograph request, notify the Media Relations Department. Any violation of these guidelines could result in immediate termination of the credential and future access.

PHOTOGRAPHERS: Limited photo locations are available at various field level areas, as well as in the TV locations located around the ballpark. All photographers must have credentials and roving is prohibited unless authorized by the Pirates. No freelance photographers will be granted credentials. All photographs taken are to be used for news-gathering purposes or officially licensed products. All still photo locations should be reserved through Dave Arrigo, the Pirates' official team photographer.

RADIO & TV REPORTS: Reports are defined as NON play-by-play reporting by non-rightsholders of scores and game highlights, including scene setters, game in-progress updates and post-game summaries.

- Reports must be limited to 60 seconds in length and no more than one report per inning may be filed to each media outlet.
- Radio and television reporters/stringers must notify the Pirates of their plans to do live reports at the time credentials are requested.
- Television reporters may file live reports from the field or an assigned press-level booth up until game time. Live television reports by non-rightsholders are prohibited while the rightsholder is on the air or while the game is in progress. Live television reports - to air during regularly scheduled news programming - are permitted during the game only when there is no home telecast. These in-game reports may not show the game in progress.

Abrasion - Any injury which rubs off the surface of the skin.

Abscess - An infection which produces pus; can be the result of a blister, callus, penetrating wound or laceration.

Anterior Cruciate Ligament (ACL) - A primary stabilizing ligament within the center of the knee joint that prevents hyperextension and excessive rotation of the joint. A complete tear of the ACL necessitating reconstruction could require up to 12 months of rehabilitation.

Anterior Talofibular Ligament - A ligament of the ankle that connects the fibula (later ankle bone) to the talus. This ligament is oft times subject to sprain.

ANTI-INFLAMMATORY - Any agent which prevents inflammation, such as aspirin or ibuprofen.

ARTHROSCOPE - An instrument used to visualize the interior of a joint cavity.

Arthroscopy - A surgical examination of the internal structures of a joint by means of viewing through an arthroscope. An arthroscopic procedure can be used to remove or repair damaged tissue or as a diagnostic procedure in order to inspect the extent of any damage or confirm a diagnosis.

CAT SCAN - Use of a computer to produce a cross sectional view of the anatomical part being investigated from x-ray data.

CHARLEY HORSE - A contusion or bruise to any muscle resulting in intramuscular bleeding. No other injury should be called a charley horse.

Cervical Vertebrae - Group of seven vertebrae located in the neck.

CLAVICLE - The collarbone.

CONCUSSION - Jarring injury of the brain resulting in dysfunction. It can be graded as mild, moderate or severe depending on loss of consciousness, amnesia and loss of equilibrium.

CONTUSION - An injury to a muscle and tissues caused by a blow from a blunt object.

CYST - Abnormal sac containing liquid or semi-solid matter.

Debridement - Removal of non-healthy tissues and foreign material from a wound or burn to prevent infection and permit healing.

DELTOID MUSCLE - Muscles at the top of the arm, just below the shoulder, responsible for shoulder movements to the front, side and back.

DISLOCATION - Complete displacement of joint surfaces.

FAT PERCENTAGE - The amount of body weight that is adipose, fat tissue. Fat percentages can be calculated by underwear weighing, measuring select skinfold thickness, or by analyzing electrical impedance.

Femur - Thigh bone; longest bone in the body.

Fibula - Smaller of the two bones in the lower leg; runs from knee to the ankle along the outside of the lower leg.

FLEXIBILITY - The ability of a muscle to relax and yield to stretch forces.

FRACTURE - Breach in continuity of a bone. Types of fractures include simple, compound, comminuted, greenstick, incomplete, impacted, longitudinal, oblique, stress or transverse.

Grade One Injury - A mild injury in which ligament, tendon, or other musculoskeletal tissue may have been stretched or contused, but not torn or otherwise disrupted.

Grade Two Injury - A moderate injury when musculoskeletal tissue has been partially, but not totally torn which causes appreciable limitation in function of the injured tissue.

Grade Three Injury - A severe injury in which tissue has been significantly, and in some cases totally, torn or otherwise disrupted causing a virtual total loss of function.

GROIN - Junction of the thigh and abdomen; location of muscles that rotate, flex and adduct the hip.

HAMSTRING - Category of muscle that runs from the buttocks to the knee along the back of the thigh. It functions to flex the knee, and is oft times injured as a result of improper conditioning or lack of muscle flexibility.

HEAT CRAMPS - Painful muscle spasms of the arms or legs caused by excessive body heat and depletion of fluids and electrolytes.

HEAT EXHAUSTION - Mild form of shock due to dehydration because of excessive sweating when exposed to heat and humidity.

Humerus - Bone of the upper arm that runs from the shoulder to the elbow.

INFLAMMATION - The body's natural response to injury in which the injury site might display various degrees of pain, swelling, heat, redness and / or loss of function.

LABRUM (Labrum Glenoide) - The cartilage of the glenoid cavity in the shoulder. A lipedge or lip-like structure.

Lateral Collateral Ligament (LCL) - Ligament of the knee along the lateral aspect that connects the femur to the fibula. It provides lateral stability to the joint.

LIGAMENT - Band of fibrous tissue that connects bone to bone to cartilage and supports and strengthens joints.

N.A.T.A. - National Athletic Trainers' Association; certifying and governing body of the athletic training profession.

Meniscus - Crescent shaped cartilage, usually pertaining to the knee joint; also known as "cartilage." There are two menisci in the knee, medial and lateral. These work to absorb weight within the knee and provide stability.

Metacarpals - Five long bones of the hand, running from the wrist to the fingers.

Metatarsals - Five long bones of the foot, running from the ankle to the toes.

Patella - The kneecap. The patella functions to protect the distal end of the femur as well as increase the mechanical advantage and force generating capacities of the quadriceps muscle group.

PATELLA TENDINITIS - Inflammation of the patellar ligament; also known as "jumper's knee."

PBATS - Professional Baseball Athletic Trainers Society, the governing body of athletic trainers in professional baseball.

PERONEAL MUSCLES - Group of muscles of the lateral lower leg that are responsible for everting the ankle. Tendons of these muscles are vital to the stability of the ankle and foot.

Rotator Cuff Impingement Syndrome - A microtrauma or overuse injury caused by stress. The four stages are: 1) tendinitis with temporary thickening of the bursa and rotator cuff, 2) fiber dissociation in the tendon with a permanent thickening of the bursa and scar formation, 3) a partial rotator cuff tear of less than 1 cm, 4) a complete tear of 1 cm or more.
